Overview:

The 4th International Nursing Networking Conference (INNC 2026) is a global platform dedicated to empowering nursing professionals, educators, and healthcare leaders. This event fosters the exchange of cutting-edge research, innovative practices, and impactful clinical insights, driving the future of patient care and nursing excellence. Join us to connect with peers, share knowledge, and explore the latest trends shaping the nursing profession. Together, we aim to build a stronger, more connected global nursing community.

Call for Papers

We invite participants to showcase their research and discoveries by submitting abstracts for consideration in the scientific sessions. A standardized submission template is available on the "Abstract Submission" page of the conference website. All accepted abstracts will be included in the extended abstract book, which will be available online and distributed to attendees at the conference.
